## LEGEND

- P** - Providence Ownership
- DBC to P** - Davis Business Park to become Providence Ownership
- Pedestrian Cross Walk, primarily for Providence Employees

## Finding:

Over the past 10 years Providence Health and Services has purchased most of the properties identified in this map for the future expansion of their facilities. To date none of the neighborhood associations north of I-84 have been party to a "Good Neighbor Agreement" or seen a Master Plan that identified the future uses planned for these properties.
