

RCPNA GENERAL MEMBERSHIP MEETING MINUTES, OCT. 13, 2015

The attached meeting agenda was followed.

Special thanks to Lonesome Dewey and the Coyotes, who provided pre-meeting entertainment, and to Lucky House and Elements restaurants, which provided pot-luck entrees.

Interesting presentations were made regarding neighborhood safety and by the featured speaker, Senator Michael Dembrow.

Lively Q&A occurred after and/or during the presentations by Shawn Wood (regarding deconstruction) and from the RCPNA Land Use and Transportation Committee, regarding proposed residential zone parking regulations (from City task force).

The meeting was fairly timely adjourned. List of attendees previously filed with CNN.
