## **RCPNA Mission Statement**

RCPNA works to maintain and improve the livability of the neighborhood and to promote a sense of community.

A detailed account of the RCPNA Purpose can be accessed in the Bylaws available at [www.RCPNA.org](http://www.RCPNA.org)

*The Neighborhood Association does not possess legislative power. It can act as a liaison/conduit between the community and other organizations/agencies.*

### **Our Goals for tonight's activity are:**

- Discover through the discussion process the highest priority items of concern of our neighbors and how the Neighborhood Association can assist with addressing them
- Encourage and motivate you to identify how you can benefit the neighborhood and your neighbors in collaboration with the Neighborhood Association

Visit as many committee tables as you are able in the time allotted.

You **DO NOT HAVE TO BE A BOARD MEMBER** to be a member of any of the committees. **The opportunity exists to start a committee on a topic of interest to you.**

### **EXISTING COMMITTEES**

**BUSINESS**  
**CLEANUP and YARD SALE**  
**COMMUNICATION**  
**ENTERTAINMENT**  
**ENVIRONMENTAL**  
**LAND USE AND TRANSPORTATION**  
**NEIGHBORHOOD EMERGENCY TEAM**

**Take the Follow Up Issue Prioritization Survey the week following this meeting at the website: [www.rcpna.org](http://www.rcpna.org)**

Concerns discovered related to each Committee category will be ranked in order and a survey will be created and remain open on the website for several weeks following this meeting. The concerns receiving the most votes will identify the focus of the Committees and the Board for the upcoming year

## **THANK YOU FOR PARTICIPATING**
