

Normandale Park— Shooting Victims Memorial Conversation

Hello Neighbor, the Rose City Park Neighborhood Association is hosting a public outreach event to discuss the possibility of a community memorial for the victims of the Normandale Park mass shooting of February 2022.

A display of planters and lighting has been installed by volunteers to remember and honor victims at NE 55th and Hassalo. Painting a street mural in the intersection has been suggested by community members. Please join us to listen and to share your thoughts in a conversation of community healing.
